SOUND LIST: FREE, COMPLETE, FAVORITES

40 FREE SOUNDS

Bass, pads, leads, plucks and atmospheres from the 1037 Acoustic Analog Synth library, chosen to play right away. No account, no activation.

830 COMPLETE SOUNDS

The whole 1037 PLAY library with one purchase. Locked sounds show a padlock until you unlock them.

FAVORITES

Click the heart to collect your favorites in their own list.

YOUR OWN PRESETS

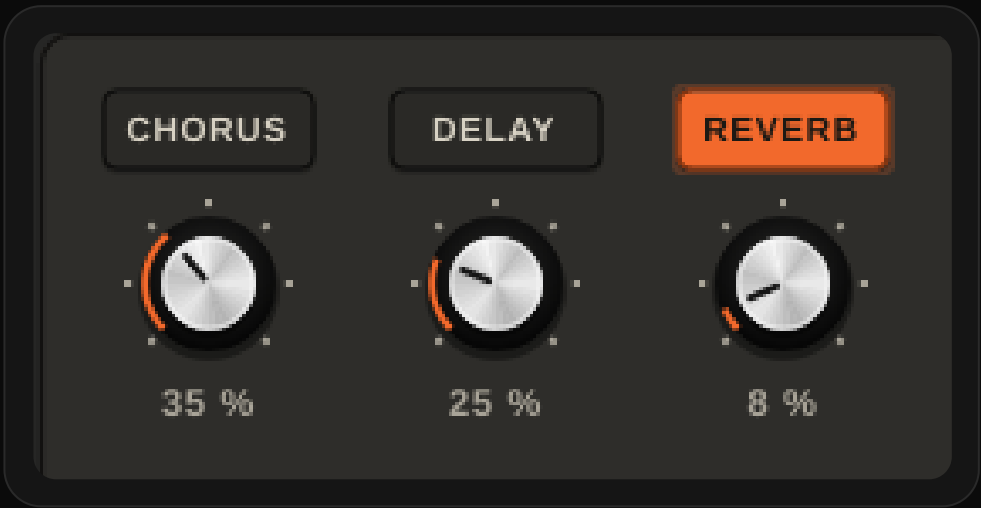

With COMPLETE SOUNDS you can save and load your own presets.

PLAY IT

Keys, quick controls, effects.

KEYS

The on-screen keyboard follows your MIDI input. OCT moves the range by octaves.

QUICK CONTROLS

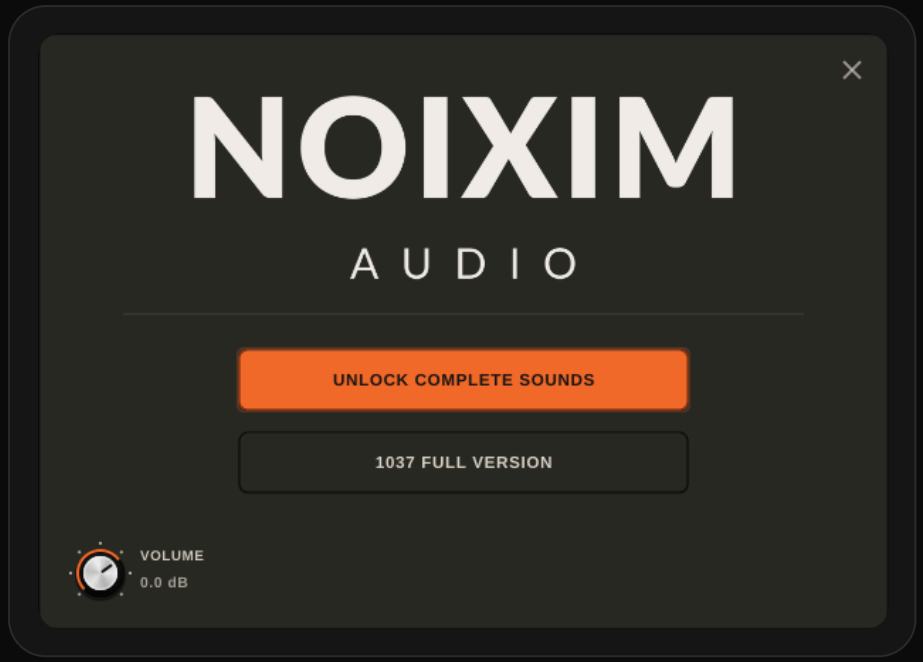

Every sound keeps its own settings; the knobs change what matters most. Changes stay until you pick another sound.

EFFECTS

Chorus for width, Delay for rhythm, Reverb for space. One knob per effect sets its mix.

COMPLETE SOUNDS

One purchase. Every sound.
